To all Parents/Carers

Dear Parent/Carer

HOMEWORK

You child's homework is available for you to view via the School Website. To access the information please go to our website at www.bbhs.org.uk, select the VLE/Homework tab on the left hand side and this will direct you the BBHS VLE. You do not need to log on, just select 'Homework' under Course Categories on the left hand side. Once you have selected the Year for your child, select the week you want to view and this will bring up the homework that will be set for the week.

Please note that not all subjects set homework each week as we work to a two week schedule.

Should you have any difficulties accessing the information, or have any questions, please do not hesitate to contact the School.

Yours faithfully

David Park
Acting Headteacher
