Parent/Carer – All Students

Dear Parent/Carer

RE: Swine Flu

The school is putting into place measures to try and reduce the risk of Swine Flu. We hope that you as a parent/carers can promote the need for good hygiene practices such as washing hands, use of tissues and safe disposal of used tissues. The school has purchased supplies of hand sanitizers, tissues and disposal bags which are placed in every classroom.

Please can you make sure that the Student Office has your current contact details, including mobile phone numbers so we can keep you up to date. In the event of the school being closed work will be available for students to access via the school website. If you do not have access to a computer please let the School Student Office know and alternative arrangements will be made.

Should your child, or a member of your family, display any symptoms of Swine Flu please contact NHS direct for advice. In the event of a positive diagnosis the school should be advised immediately.

If you have any questions about these arrangements, please do not hesitate to contact the school.

Yours sincerely

Trevor Osborne
Headteacher
